After the recent news spot light on Faith, Fear and Freedom, they posed the question do you feel safe in your place of worship?

This caused many churches, temples, mosques, synagogue and other houses of worship to look at their practices, or in most cases lack thereof. After being inundated with requests we have put together a comprehensive plan. This plan is for the non-law enforcement, greeter, usher, deacon or helper at your place of worship. If you are interested in learning we are interested in helping.

We have a written plan that will work for any place of worship no matter the size. We would be more than happy to share this information with you. Please go to www.rocksecurityservices.com there is an email link to send us your information, info@rocksecurityservices.com and we help you and your congregation determine what would best suit your needs.

In this day and time there is no reason for anyone to feel unsafe in their house of worship, with the help of our staff here at Rock Security we will help you take that fear, nervousness and uncertainty away so contact us today for your free information package. If you are interested in further services they will be available on our home page as well.

Wishing you all a happy new year, **R**estoring **O**ur **C**ommunity by **K**eeping our families safe.
From our family here at Rock Security to your Family.
